No. B3. 391-MIS-2079/61-62 Dated 26 May 1962.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Sub:- Memo of instructions issued by the Minister for Forests during his tour in Dharwar and Belgaum Districts in December 1961 - Grant of lands.

The then Minister for Forests during his tour in Dharwar and Belgaum Districts in December 1961 had instructed to survey forest areas in Gujnal, Gokak and Kakti Ranges, which are flat, non-stony and fit for cultivation yielding reasonable returns to the cultivators and to submit a list of the areas selected for cultivation for release to the Berads. These instructions were confirmed by Government in their No. AFD 315 FNG 61 dated 1-2-1962. Necessary action is being taken to select the areas suitable for cultivation which will take some time.

One Sri N.A. Karlingannavar, M.L.A., has requested to grant permission to undertake cultivation in the forest areas which were under cultivation in the past unauthorisedly in Hoskote, Melmanhatti and Nelganti villages, pending final regularisation and issue of Government Orders after observing all the formalities. In this connection a copy of letter No. ADM/TPS/1862/61-62 dated 2-5-1962 from the Conservator of Forests, Belgaum Circle is enclosed for perusal. In the circumstances reported therein, I solicit orders of Government whether the forest lands which were under cultivation unauthorisedly in Hoskote, Melmanhatti and Nelganti villages may be granted for cultivation on Hangami Lagan basis for one year in the first instance.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

Office of the
Conservator of Forests,

Belgaum: 2nd May,1962.

To

The Chief Conservator of Forests,
in Mysore, Bangalore.

Sir,

Sub: Memo of instructions issued by the Minister for Forests during his tour in Dharwar and Belgaum Districts in December,1961..... Grant of lands...

Ref: Your No. B3-301-MIS-2079/61-62 of 20th December,1962.

I submit herewith application dated 30th April, 1962 of Shri M.A.Karilingannavar, M.L.A. requesting to grant permission for cultivating the forest lands which were under cultivation in the past unauthorisedly in Hoskoti, Melmanhatti, and Melganti villages, pending final regularisation and issue of Government orders after observing all the formalities.

2. During the course of the tour of the then Minister for Forests in December 1961 in Dharwar and Belgaum Districts, he has in principle, agreed to the release of such of the Forest lands which are flat, non-stony and fit for cultivation yielding reasonable returns to the cultivators and which were under cultivation unauthorisedly in the past continuously for a long time, after ascertaining the suitability of the lands from the Agricultural Department, in Kakti, Gokak and Gunjnal Ranges. He has inspected such lands during his tours, particularly in villages of Hoskoti, Melganti and Melmanhatti along with Shri Karilingannavar M.L.A. and the Forest Officers including myself. The Minister's Memo of instructions to the above effect was submitted to the Chief Conservator of Forests for obtaining the Government confirmation, and while forwarding the same to Government the Chief Conservator of Forests directed to collect necessary data by employing the existing staff and report. The Government have also since confirmed the Memo of instructions. The Divisional Forest Officers, Belgaum and Gokak in whose jurisdiction the areas fall, have already collected certain details and are also collecting further details which may take some time to finalise and submit a report in this connection after consulting the Agricultural Department, but all the same, efforts are being made to speed up this work. The Monsoon will be commencing shortly, the landless who, till now, were eking out their livelihood are waiting eagerly to get the Government orders as assured to them by the then Minister for Forests and to start cultivation with a view to make proper use of the current season which Shri Karilingannavar explained to me in person. Since the then Minister for Forests had agreed in principle to the release of forest lands in favour of cultivation and Shri Karilingannavar is requesting to grant permission for cultivating the lands early in anticipation of Government sanction, I see no objection to ~~be~~ lease such lands unauthorisedly cultivated in the past in the above three localities on Mangani Lagan basis for 1 year in the first instance, pending finalisation of the issue.

4. The detailed proposals will be submitted in due course when all the work is over and finalised.

~~Yours~~

P.T.O.

PS

I have written many times regarding the cultivation of forest lands in Hokak taluk and Belgaum taluk areas. At present, the time of cultivation is very near, there are only fifteen days remaining.

When last time Rudrappa, the minister of forest had come here, inspected the condition of area. that time the deputy commissioner agreed to allow to cultivate these lands as temporary. I have understood that deputy commissioner has written letter to the Government to permit the farmers to cultivate as temporary. therefore I request you to consider the deputy commissioner's recomandation and take action immediately.
